

Meridian Property Group — Leasing FAQ

Common questions from prospective and current tenants

What documents do I need to rent a property through Meridian?

For residential leases we require a valid passport, visa or national ID, a recent salary certificate or proof of income, and a security deposit. Corporate tenants provide a trade licence and authorized-signatory ID. All documents can be submitted digitally through your Meridian tenant portal.

How much is the security deposit?

The standard security deposit is 5% of the annual rent for unfurnished units and 10% for furnished units. The deposit is fully refundable at the end of the tenancy, less any deductions for damage beyond fair wear and tear or outstanding charges. Deposits are returned within 30 days of handover and final inspection.

How do I pay my rent?

Rent may be paid by bank transfer, direct debit, or post-dated cheques depending on your emirate and contract. Most tenancies are paid in one to four cheques per year. Meridian does not accept cash rent payments above AED 5,000. Payment details appear on your tenancy contract and portal invoice.

When can I renew my lease and will the rent increase?

Renewal notices are issued 90 days before the tenancy end date. Any rent adjustment follows the applicable rental index (for example the RERA rental calculator in Dubai) and the terms of your contract. Meridian cannot increase rent beyond the legally permitted cap for your area. If no notice is served by either party, the contract renews on the same terms.

Who is responsible for maintenance?

Landlords are responsible for major maintenance and structural repairs. Tenants are responsible for minor maintenance up to AED 500 per incident and for damage they cause. Log all maintenance requests through the tenant portal; emergency issues such as major leaks or power failure use the 24/7 line.

Can I end my lease early?

Early termination terms are set in your contract. A common clause requires two months' notice and an early-termination penalty equal to two months' rent. Some contracts allow a break after the first year with notice. Check clause 8 of your tenancy agreement or contact leasing@meridianpg.example.

Is my lease registered with the authorities?

Yes. Meridian registers all Dubai tenancies with Ejari and provides the certificate through your portal. Registration is required to activate utilities (DEWA) and is included in the tenant placement service at no extra charge.

What happens if I pay rent late?

A grace period of seven days applies. After that, a late fee of AED 200 or 2% of the outstanding amount (whichever is greater) may be charged. Persistent late payment can be grounds for non-renewal. Contact us early if you anticipate difficulty; payment plans are considered case by case.
